

# Clevis foot LN-50

Part number: 5149

FESTO

## Data sheet

| Feature                          | Value                                                                     |
|----------------------------------|---------------------------------------------------------------------------|
| Size                             | 50                                                                        |
| Based on norm                    | ISO 15552 (previously also VDMA 24562, ISO 6431, NF E49 003.1, UNI 10290) |
| Corrosion resistance class (CRC) | 2 - Moderate corrosion stress                                             |
| LABS (PWIS) conformity           | VDMA24364-B1/B2-L                                                         |
| Ambient temperature              | -40 °C...150 °C                                                           |
| Product weight                   | 322 g                                                                     |
| Note on materials                | RoHS compliant                                                            |
| Mounting material                | Quenched and tempered steel                                               |
