

## Individual subbase NAS-1/4-01-VDMA

Part number: 161109

**FESTO**

## Data sheet

| Feature                                  | Value                                                              |
|------------------------------------------|--------------------------------------------------------------------|
| Based on norm                            | ISO 15407-1                                                        |
| Operating medium                         | Compressed air as per ISO 8573-1:2010 [7:4:4]                      |
| Information on operating and pilot media | Operation with oil lubrication possible (required for further use) |
| LABS (PWIS) conformity                   | VDMA24364-B1/B2-L                                                  |
| Product weight                           | 160 g                                                              |
| Type of mounting                         | With through-hole                                                  |
| Pilot air port 12/14                     | G1/8                                                               |
| Pneumatic connection 1                   | G1/4                                                               |
| Pneumatic connection 2                   | G1/4                                                               |
| Pneumatic connection 3                   | G1/4                                                               |
| Pneumatic connection 4                   | G1/4                                                               |
| Pneumatic connection 5                   | G1/4                                                               |
| Material of sub-base                     | Die-cast aluminum                                                  |
