

## Profile mounting EAHF-V2-80/100-P

Part number: 1547780

FESTO

## Data sheet

| Feature                                                   | Value                                                                                    |
|-----------------------------------------------------------|------------------------------------------------------------------------------------------|
| Corrosion resistance class (CRC)                          | 3 - High corrosion stress                                                                |
| LABS (PWIS) conformity                                    | VDMA24364-B2-L                                                                           |
| Suitability for the production of Li-ion batteries        | Suitable for battery production with reduced Cu/Zn/Ni values (F1a)                       |
| Cleanroom suitability, measured according to ISO 14644-14 | Statically installed element, no meaningful evaluation possible according to ISO 14644-1 |
| Max. load capacity                                        | 1.6 kN                                                                                   |
| Product weight                                            | 570 g                                                                                    |
| Note on materials                                         | RoHS compliant                                                                           |
