

# Vertical pressure supply plate VABF-S4-2-P1A3-G18

Part number: 540173

**FESTO**

## Data sheet

| Feature                                      | Value                                                              |
|----------------------------------------------|--------------------------------------------------------------------|
| Width                                        | 18 mm                                                              |
| Based on norm                                | ISO 15407-2                                                        |
| Mounting position                            | Any                                                                |
| Operating pressure                           | 1 MPa<br>10 bar                                                    |
| CE marking (see declaration of conformity)   | As per EU low voltage directive                                    |
| UKCA marking (see declaration of conformity) | To UK instructions for electrical equipment                        |
| Operating medium                             | Compressed air as per ISO 8573-1:2010 [7:4:4]                      |
| Information on operating and pilot media     | Operation with oil lubrication possible (required for further use) |
| Corrosion resistance class (CRC)             | 0 - No corrosion stress                                            |
| LABS (PWIS) conformity                       | VDMA24364-B1/B2-L                                                  |
| Degree of protection                         | IP65<br>NEMA 4                                                     |
| Pilot medium                                 | Compressed air as per ISO 8573-1:2010 [7:4:4]                      |
| Ambient temperature                          | -5 °C...50 °C                                                      |
| Product weight                               | 140 g                                                              |
| Vertical stacking mounting type              | On manifold sub-base<br>On individual sub-base                     |
| Housing material                             | Die-cast aluminum                                                  |
