

# Roller lever valve R-5-1/4-B

Part number: 8996

**FESTO**

## Data sheet

| Feature                                           | Value                                    |
|---------------------------------------------------|------------------------------------------|
| Valve function                                    | 5/2-way, monostable                      |
| Actuation type                                    | Mechanical                               |
| Normal nominal flow rate (normalized to DIN 1343) | 550 l/min                                |
| Pneumatic working port                            | G1/4                                     |
| Operating pressure                                | -0.095 MPa...1 MPa<br>-0.95 bar...10 bar |
| Structural design                                 | Plate seat                               |
| Nominal width                                     | 7 mm                                     |
| Type of control                                   | directly                                 |
| LABS (PWIS) conformity                            | VDMA24364-B1/B2-L                        |
| Ambient temperature                               | -10 °C...60 °C                           |
| Actuating force                                   | 75 N                                     |
| Product weight                                    | 340 g                                    |
| Type of mounting                                  | With through-hole                        |
| Pneumatic connection 1                            | G1/4                                     |
| Pneumatic connection 2                            | G1/4                                     |
| Pneumatic connection 3                            | G1/4                                     |
| Pneumatic connection 4                            | G1/4                                     |
| Pneumatic connection 5                            | G1/4                                     |
| Seals material                                    | NBR                                      |
| Housing material                                  | Die-cast aluminum                        |
