

## Barbed tubing connector

### RTU-PK-6/6

Part number: 7605

**FESTO**

## Data sheet

| Feature                                         | Value                                                              |
|-------------------------------------------------|--------------------------------------------------------------------|
| Nominal width                                   | 5.3 mm                                                             |
| Operating pressure for entire temperature range | -0.095 MPa...1 MPa<br>-0.95 bar...10 bar<br>-13.775 psi...145 psi  |
| Operating medium                                | Compressed air as per ISO 8573-1:2010 [7::-]                       |
| Information on operating and pilot media        | Operation with oil lubrication possible (required for further use) |
| LABS (PWIS) conformity                          | VDMA24364-B1/B2-L                                                  |
| Ambient temperature                             | 0 °C...60 °C                                                       |
| Pneumatic connection 1                          | for pneumatic tubing outside diameter 8 mm                         |
| Ambient temperature Fahrenheit                  | 32 °F...140 °F                                                     |
| Note on materials                               | RoHS compliant                                                     |
| Housing material                                | Brass                                                              |
