

## Foot mounting HUA-40

Part number: 157313

**FESTO**

## Data sheet

| Feature                          | Value                         |
|----------------------------------|-------------------------------|
| Size                             | 40                            |
| Mounting position                | Any                           |
| Corrosion resistance class (CRC) | 2 - Moderate corrosion stress |
| LABS (PWIS) conformity           | VDMA24364-B1/B2-L             |
| Product weight                   | 220 g                         |
| Mounting material                | Steel<br>Galvanized           |
| Material of screws               | Steel<br>Galvanized           |
