

# Suction gripper ESG-200

Part number: 189181

**FESTO**

## Data sheet

| Feature                              | Value                                                                                                              |
|--------------------------------------|--------------------------------------------------------------------------------------------------------------------|
| Suction cup diameter                 | 200 mm                                                                                                             |
| Mounting position                    | Vertical                                                                                                           |
| Structural design                    | Vacuum connection at top<br>Vacuum connection at side<br>with height compensation<br>With long height compensation |
| Classification of suction cup holder | Size 6                                                                                                             |
| Suction cup shape                    | Round, flat                                                                                                        |
| Operating medium                     | Atmospheric air based on ISO 8573-1:2010 [7:::-]                                                                   |
| Corrosion resistance class (CRC)     | 1 - Low corrosion stress                                                                                           |
| Ambient temperature                  | -30 °C...200 °C                                                                                                    |
| Vacuum connection                    | G1/4                                                                                                               |
| Note on materials                    | RoHS compliant                                                                                                     |
| Suction cup material                 | FPM<br>NBR<br>PUR<br>VMQ (silicone)                                                                                |
