

**Sensing kit**  
**EAPS-R1-20-S-WH**  
Part number: 558395

**Data sheet**

| Feature                          | Value                              |
|----------------------------------|------------------------------------|
| Size                             | 20                                 |
| Rotation angle                   | Adjustable                         |
| Mounting position                | Any                                |
| Corrosion resistance class (CRC) | 2 - Moderate corrosion stress      |
| LABS (PWIS) conformity           | VDMA24364-B2-L                     |
| Ambient temperature              | -10 °C...60 °C                     |
| Product weight                   | 86 g                               |
| Note on materials                | RoHS compliant                     |
| Retaining material               | Wrought aluminum alloy<br>Anodized |
| Sensor holder material           | Wrought aluminum alloy<br>Anodized |
