

# Vertical pressure supply plate VABF-L1-P3A3-G18

Part number: 574593

FESTO

## Data sheet

| Feature                                   | Value                                            |
|-------------------------------------------|--------------------------------------------------|
| Width dimension                           | 16 mm                                            |
| Max. no. of valve positions               | 1                                                |
| Operating pressure                        | -0.09 MPa...1 MPa<br>-0.9 bar...10 bar           |
| Certification                             | RCM compliance mark<br>c UL us - recognized (OL) |
| Corrosion resistance class (CRC)          | 2 - Moderate corrosion stress                    |
| LABS (PWIS) conformity                    | VDMA24364-B1/B2-L                                |
| Max. tightening torque for valve mounting | 0.65 Nm                                          |
| Product weight                            | 350 g                                            |
| Pneumatic connection 1                    | G1/8                                             |
| Note on materials                         | RoHS compliant                                   |
| Plate material                            | Wrought aluminum alloy                           |
