

# Flange mounting CRFBN-12/16

Part number: 161864

FESTO

## Data sheet

| Feature                                            | Value                                                              |
|----------------------------------------------------|--------------------------------------------------------------------|
| Size                                               | 12/16                                                              |
| Mounting position                                  | Any                                                                |
| Corrosion resistance class (CRC)                   | 4 - Particularly high corrosion stress                             |
| LABS (PWIS) conformity                             | VDMA24364-B1/B2-L                                                  |
| Suitability for the production of Li-ion batteries | Suitable for battery production with reduced Cu/Zn/Ni values (F1a) |
| Ambient temperature                                | -40 °C...150 °C                                                    |
| Product weight                                     | 26 g                                                               |
| Note on materials                                  | RoHS compliant                                                     |
| Mounting material                                  | high-alloy stainless steel                                         |
