

# Manifold sub-base VABV-S2-1HS-G38-T2

Part number: 546219

**FESTO**

## Data sheet

| Feature                                    | Value                                      |
|--------------------------------------------|--------------------------------------------|
| CE marking (see declaration of conformity) | as per EU simple pressure vessel directive |
| Corrosion resistance class (CRC)           | 0 - No corrosion stress                    |
| LABS (PWIS) conformity                     | VDMA24364-B1/B2-L                          |
| Product weight                             | 330 g                                      |
| Pneumatic connection 2                     | G3/8                                       |
| Pneumatic connection 4                     | G3/8                                       |
| Note on materials                          | RoHS compliant                             |
| Plate material                             | Die-cast aluminum                          |
