

# Position indicator SASF-F9-DE-16-A20

Part number: 8147091

FESTO

## Data sheet

| Feature                     | Value            |
|-----------------------------|------------------|
| Dimensions W x L x H        | Ø 50 mm x 20 mm  |
| LABS (PWIS) conformity      | VDMA24364-C1-L   |
| Ambient temperature         | -20 °C...80 °C   |
| Product weight              | 29 g             |
| Position indicator          | Yellow/black     |
| Housing colour              | Black            |
| Note on materials           | RoHS compliant   |
| Housing material            | POM              |
| Material of screws          | High-grade steel |
| Material position indicator | POM              |
