

## Sub-base-SET MS4-AGC-EX

Part number: 541551

**FESTO**

### Data sheet

| Feature                          | Value                         |
|----------------------------------|-------------------------------|
| Size                             | 4                             |
| Series                           | MS                            |
| Corrosion resistance class (CRC) | 2 - Moderate corrosion stress |
| LABS (PWIS) conformity           | VDMA24364-B1/B2-L             |
| Temperature of medium            | -10 °C...60 °C                |
| Product weight                   | 128 g                         |
| Pneumatic connection 1           | G3/8                          |
| Pneumatic connection 2           | G3/8                          |
| Note on materials                | RoHS compliant                |
| Material of sub-base             | Die-cast aluminum             |
| Seals material                   | NBR                           |
| Material of screws               | Steel                         |
