

**Manifold sub-base**  
**NAV-3/8-2C-ISO**  
Part number: 11305

**FESTO**

**Data sheet**

| Feature                | Value                |
|------------------------|----------------------|
| Designation to VDMA    | VDMA 24345-C-2       |
| Conforms to standard   | ISO 5599-1           |
| Certification          | UL - Recognized (OL) |
| LABS (PWIS) conformity | VDMA24364-B1/B2-L    |
| Product weight         | 400 g                |
| Pilot air port 12/14   | G1/8                 |
| Pneumatic connection 2 | G3/8                 |
| Pneumatic connection 4 | G3/8                 |
| Housing material       | Die-cast aluminum    |
