

# Branching module PMBL-90-HP3-E

Part number: 2663892

FESTO

## Data sheet

| Feature                                      | Value                                              |
|----------------------------------------------|----------------------------------------------------|
| Size                                         | 90                                                 |
| Nominal width DN                             | 36                                                 |
| Series                                       | L                                                  |
| Mounting position                            | Any                                                |
| Structural design                            | Branching module                                   |
| Operating pressure                           | 0 MPa...5 MPa<br>0 bar...50 bar                    |
| Pilot pressure                               | 0 bar...50 bar                                     |
| CE marking (see declaration of conformity)   | as per EU pressure equipment directive             |
| UKCA marking (see declaration of conformity) | according to UK regulations for pressure equipment |
| Operating medium                             | Compressed air as per ISO 8573-1:2010 [7:4:4]      |
| Corrosion resistance class (CRC)             | 2 - Moderate corrosion stress                      |
| LABS (PWIS) conformity                       | VDMA24364 Zone III                                 |
| Storage temperature                          | -10 °C...60 °C                                     |
| For use in the food industry                 | See supplementary material information             |
| Temperature of medium                        | 5 °C...60 °C                                       |
| Ambient temperature                          | 5 °C...60 °C                                       |
| Product weight                               | 2600 g                                             |
| Note on materials                            | RoHS compliant                                     |
| Seals material                               | NBR<br>Protective grounding                        |
| Housing material                             | Wrought aluminum alloy                             |
