

## Sub-base VABP-S1-2V1G-G38-2

Part number: 2738671

**FESTO**

## Data sheet

| Feature                                           | Value                                         |
|---------------------------------------------------|-----------------------------------------------|
| Width                                             | 54 mm                                         |
| Function port 32                                  | G1/4                                          |
| Function port 34                                  | G1/4                                          |
| Pneumatic connection 22                           | Sub-base<br>G3/8                              |
| Pneumatic connection 44                           | Sub-base<br>G3/8                              |
| Mounting position                                 | Any                                           |
| Operating pressure                                | 0 bar...16 bar                                |
| Normal nominal flow rate (normalized to DIN 1343) | 2000 l/min                                    |
| Operating medium                                  | Compressed air as per ISO 8573-1:2010 [6:4:4] |
| Corrosion resistance class (CRC)                  | 0 - No corrosion stress                       |
| LABS (PWIS) conformity                            | VDMA24364-B1/B2-L                             |
| Temperature of medium                             | 0 °C...50 °C                                  |
| Ambient temperature                               | 0 °C...50 °C                                  |
| Product weight                                    | 1950 g                                        |
| Pilot air port 14                                 | G1/8                                          |
| Pneumatic connection 2                            | G3/8                                          |
| Pneumatic connection 4                            | G3/8                                          |
| Note on materials                                 | RoHS compliant                                |
| Manifold rail material                            | Wrought aluminum alloy                        |
| O-ring material                                   | NBR                                           |
| Material of screws                                | Steel                                         |
