

# Clamping finger CLR-12-FS

Part number: 535551

FESTO

## Data sheet

| Feature                                            | Value                                                                                                                                            |
|----------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------|
| Size                                               | 12                                                                                                                                               |
| Corrosion resistance class (CRC)                   | 2 - Moderate corrosion stress                                                                                                                    |
| LABS (PWIS) conformity                             | VDMA24364-B2-L                                                                                                                                   |
| Suitability for the production of Li-ion batteries | Metals with more than 1% by mass of copper are excluded from use.<br>Circuit boards, lines, electrical push-in connectors and coils are excluded |
| Clamping finger material                           | Wrought aluminum alloy<br>Colorless anodized                                                                                                     |
