

# Sealing ring CRO-3/4

Part number: 165196

FESTO

## Data sheet

| Feature                                  | Value                                        |
|------------------------------------------|----------------------------------------------|
| Mounting position                        | Any                                          |
| Operating medium                         | Compressed air as per ISO 8573-1:2010 [7::-] |
| Information on operating and pilot media | Lubricated operation possible                |
| LABS (PWIS) conformity                   | VDMA24364-B2-L                               |
| For use in the food industry             | See supplementary material information       |
| Product weight                           | 1.08 g                                       |
| Pneumatic connection                     | G3/4                                         |
| Note on materials                        | RoHS compliant                               |
| Seals material                           | PVDF                                         |
