

# Protective conduit MKV-PG-21

Part number: 7549

FESTO

## Data sheet

| Feature                          | Value                         |
|----------------------------------|-------------------------------|
| Mounting position                | Any                           |
| Corrosion resistance class (CRC) | 2 - Moderate corrosion stress |
| LABS (PWIS) conformity           | VDMA24364-B1/B2-L             |
| Note on materials                | RoHS compliant                |
