

**Supply plate**  
**VMPA-FB-SP-7/8-V-5POL**  
Part number: 541083

**Data sheet**

| Feature                          | Value                              |
|----------------------------------|------------------------------------|
| Nominal operating voltage DC     | 24 V                               |
| Permissible voltage fluctuations | +/- 25%                            |
| Corrosion resistance class (CRC) | 1 - Low corrosion stress           |
| LABS (PWIS) conformity           | VDMA24364-B1/B2-L                  |
| Degree of protection             | IP65                               |
| Ambient temperature              | -5 °C...50 °C                      |
| Product weight                   | 200 g                              |
| Electrical connection            | 5-pin<br>7/8" round plug connector |
| Note on materials                | RoHS compliant                     |
| Cover material                   | PA-reinforced                      |
| Housing material                 | Die-cast aluminum                  |
