

# Gripper jaw blank BUB-HGPD-16

Part number: 1180947

FESTO

## Data sheet

| Feature                          | Value                                 |
|----------------------------------|---------------------------------------|
| Size                             | 16                                    |
| Mounting position                | Any                                   |
| Corrosion resistance class (CRC) | 2 - Moderate corrosion stress         |
| LABS (PWIS) conformity           | VDMA24364-B2-L                        |
| Ambient temperature              | 5 °C...60 °C                          |
| Product weight per gripper jaw   | 25 g                                  |
| Type of mounting                 | Via through-hole and centering sleeve |
| Note on materials                | RoHS compliant                        |
| Blank material                   | Wrought aluminum alloy                |
