

**Clamping plate**  
**EV-20/120-DP**  
Part number: 13786

**Data sheet**

| Feature                                            | Value                                                                                                                                            |
|----------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------|
| Size                                               | 20x120                                                                                                                                           |
| LABS (PWIS) conformity                             | VDMA24364-B1/B2-L                                                                                                                                |
| Suitability for the production of Li-ion batteries | Metals with more than 1% by mass of copper are excluded from use.<br>Circuit boards, lines, electrical push-in connectors and coils are excluded |
