

**Common supply manifold**  
**PAL-1/8-5-B**  
Part number: 30555

**Data sheet**

| Feature                     | Value                  |
|-----------------------------|------------------------|
| Mounting position           | Any                    |
| Max. no. of valve positions | 5                      |
| LABS (PWIS) conformity      | VDMA24364-B1/B2-L      |
| Product weight              | 260 g                  |
| Type of mounting            | With retaining bracket |
| Pneumatic connection 1      | G3/8                   |
| Note on materials           | RoHS compliant         |
| Material of sub-base        | Aluminum<br>Anodized   |
