

**Distributor**  
**FR-8-1/8-BR**  
Part number: 546749

**FESTO**

**Data sheet**

| Feature                                         | Value                                                              |
|-------------------------------------------------|--------------------------------------------------------------------|
| Nominal width                                   | 8.6 mm                                                             |
| Mounting position                               | Any                                                                |
| Operating pressure for entire temperature range | 0 bar...16 bar                                                     |
| Operating medium                                | Compressed air as per ISO 8573-1:2010 [7::-]                       |
| Information on operating and pilot media        | Operation with oil lubrication possible (required for further use) |
| Corrosion resistance class (CRC)                | 2 - Moderate corrosion stress                                      |
| LABS (PWIS) conformity                          | VDMA24364-B1/B2-L                                                  |
| No. of outlets                                  | 8                                                                  |
| No. of supply lines                             | 1                                                                  |
| Pneumatic connection 1                          | G3/8                                                               |
| Pneumatic connection 2                          | G1/8                                                               |
| Housing material                                | Wrought aluminum alloy                                             |
