

**Angle kit**  
**EHAM-AK-E24-80-E24-60-MR-L**  
Part number: 8240705

**FESTO**

**Data sheet**

| Feature                          | Value                       |
|----------------------------------|-----------------------------|
| Size                             | 80                          |
| Mounting position                | right hand                  |
| Structural design                | Standard design             |
| Corrosion resistance class (CRC) | 1 - Low corrosion stress    |
| LABS (PWIS) conformity           | VDMA24364 Zone III          |
| Product weight                   | 2240 g                      |
| Type of mounting                 | With through-hole and screw |
| Note on materials                | RoHS compliant              |
| Adapter plate material           | Anodized aluminum           |
| Material of screws               | Steel                       |
| Material of centering elements   | High-alloy steel            |
