

## Inscription label BZ-7-22

Part number: 7814

**FESTO**

## Data sheet

| Feature                          | Value                   |
|----------------------------------|-------------------------|
| Size                             | ø 22.3 mm               |
| Installation diameter            | 22.3 mm                 |
| Labelling                        | START                   |
| Corrosion resistance class (CRC) | 0 - No corrosion stress |
| LABS (PWIS) conformity           | VDMA24364-B1/B2-L       |
| Note on materials                | RoHS compliant          |
| Sign material                    | Aluminum                |
