

# Multi-position kit DPNA-32

Part number: 537267

## Data sheet

| Feature                          | Value                         |
|----------------------------------|-------------------------------|
| Size                             | 32                            |
| Corrosion resistance class (CRC) | 2 - Moderate corrosion stress |
| LABS (PWIS) conformity           | VDMA24364-B2-L                |
| Ambient temperature              | -40 °C...150 °C               |
| Product weight                   | 99 g                          |
| Note on materials                | RoHS compliant                |
| Material of flange               | Wrought aluminum alloy        |
| Material of screws               | Galvanized steel              |
| Material of centering elements   | High-alloy steel              |
