

# Electronics module VMPA2-FB-EMS-4

Part number: 537983

FESTO

## Data sheet

| Feature                                            | Value                                |
|----------------------------------------------------|--------------------------------------|
| Diagnostics                                        | Undervoltage of pneumatic valves     |
| Max. no. of valve positions                        | 2                                    |
| Max. no. of solenoid coils                         | 4                                    |
| Intrinsic current consumption at load voltage      | 3 mA                                 |
| Intrinsic current consumption at operating voltage | 8 mA                                 |
| Nominal pick-up current per solenoid coil          | 99 mA up to 24 ms                    |
| Nominal current with current reduction             | 18 mA after 24 ms                    |
| Corrosion resistance class (CRC)                   | 1 - Low corrosion stress (installed) |
| LABS (PWIS) conformity                             | VDMA24364-B1/B2-L                    |
| Product weight                                     | 20 g                                 |
| Housing material                                   | POM                                  |
| Note on materials                                  | RoHS compliant                       |
