

# Pivot pin kit DAMT-V7-125-A

Part number: 163531

FESTO

## Data sheet

| Feature                          | Value                                                                     |
|----------------------------------|---------------------------------------------------------------------------|
| Size                             | 125                                                                       |
| Conforms to standard             | ISO 15552 (previously also VDMA 24562, ISO 6431, NF E49 003.1, UNI 10290) |
| Corrosion resistance class (CRC) | 1 - Low corrosion stress                                                  |
| LABS (PWIS) conformity           | VDMA24364-B2-L                                                            |
| Ambient temperature              | -40 °C...150 °C                                                           |
| Product weight                   | 3013.3 g                                                                  |
| Note on materials                | RoHS compliant                                                            |
| Material of screws               | Steel<br>Galvanized                                                       |
| Trunnion flange material         | Steel, galvanized                                                         |
| Clamping piece material          | Steel, galvanized                                                         |
| Rod material                     | high-alloy stainless steel                                                |
