

# Festo AX Asset TypeEnergy GSDA-ATP-L-60M-10-ENE

Part number: 8252872

**FESTO**

## Data sheet

| Feature                                   | Value                                                                    |
|-------------------------------------------|--------------------------------------------------------------------------|
| Accompanying text                         | 10 assets, 5 years time lim.                                             |
| License type                              | Time limited                                                             |
| License period                            | 5 years                                                                  |
| Software type                             | Docker container                                                         |
| Software function classification          | Industrial App                                                           |
| Software functionality                    | Anomaly detection<br>Data analysis<br>Energy monitoring<br>Visualization |
| License package                           | 10 assets                                                                |
| Required basic license                    | Festo AX Industrial AI Core                                              |
| Docker Compose support                    | Yes                                                                      |
| Min. Docker Engine version                | 2.0                                                                      |
| Available languages in the user interface | German<br>English                                                        |
| User interface type                       | GUI                                                                      |
| Required number of CPU cores              | 4                                                                        |
| Required storage space                    | 120 GB                                                                   |
| Required working memory (RAM)             | 8 GB                                                                     |
| Type of license allocation                | device-bound                                                             |
