

**Hand lever**  
**VAOH-17-H9**  
Part number: 542705

**Data sheet**

| Feature                          | Value                         |
|----------------------------------|-------------------------------|
| Length                           | 240 mm                        |
| Actuation type                   | Manual                        |
| Width across flats               | 17 mm                         |
| Structural design                | Lever                         |
| Corrosion resistance class (CRC) | 2 - Moderate corrosion stress |
| LABS (PWIS) conformity           | VDMA24364 Zone III            |
| Product weight                   | 500 g                         |
| Type of mounting                 | Clamped                       |
| Note on materials                | RoHS compliant                |
| Hand lever material              | high-alloy stainless steel    |
| Accessories material             | high-alloy stainless steel    |
| Material number, hand lever      | 1,4408                        |
