

# Swivel mounting SBN-32

Part number: 539924

FESTO

## Data sheet

| Feature                          | Value                              |
|----------------------------------|------------------------------------|
| Size                             | 32                                 |
| Mounting position                | Any                                |
| Corrosion resistance class (CRC) | 1 - Low corrosion stress           |
| LABS (PWIS) conformity           | VDMA24364-B1/B2-L                  |
| Ambient temperature              | -40 °C...90 °C                     |
| Product weight                   | 361 g                              |
| Note on materials                | RoHS compliant                     |
| Fastening ring material          | Wrought aluminum alloy<br>Anodized |
| Mounting material                | Steel, galvanized                  |
| Bolt material                    | Steel, galvanized                  |
| Material of bearing              | Bronze                             |
| Material of screws               | Galvanized steel                   |
| Bracket material                 | Steel                              |
