### Datasheet

#### Electrical characteristics

|                          |        |
|--------------------------|--------|
| Insulation Class         | II     |
| Rated insulation voltage | 1000 V |
| Rated operating voltage  | -      |
| Dissipable Power         | -      |

#### Mechanical characteristics

|                                |                                    |
|--------------------------------|------------------------------------|
| Manufacturing material         | Technopolymer Recyclable Palazzoli |
| Treatment type                 | -                                  |
| Surface finishing              | -                                  |
| Color                          | Grey RAL 7035                      |
| Execution                      | Panel mounting                     |
| Cover type                     | -                                  |
| N. of modules on DIN rail      | -                                  |
| Hole type                      | -                                  |
| Window type                    | -                                  |
| IP Protection degree           | IP55                               |
| Additional IPdegree protection | -                                  |
| Shock resistance               | IK08 according to IEC/EN 62262     |
| Resistance to Glow wire        | 650°C                              |
| Flame rating according UL94    | HB                                 |
| Corrosivity category           | -                                  |
| Working Environment Temp.      | Min: -25°C ;Max: +50°C             |
| Warehousing Temperature        | Min: -30°C ;Max: +70°C             |
| Dimensions                     | 132,5X235,5 mm                     |
| Internal dimensions            | -                                  |
| Net Weight                     | 0.3 KG                             |
