

**SERIES domoTER**  
**CMP\_LAMP**  
**CODE 630041**

## Datasheet

### Specifications

|                         |                                       |
|-------------------------|---------------------------------------|
| Net Weight              | 0.01 KG                               |
| Front panel             | 630041s.png                           |
| Frequency               | 50/60Hz                               |
| Rated operating voltage | 250V                                  |
| Manufacturing material  | Technopolymer Recyclable<br>Palazzoli |
| Modules Number          | 1                                     |
| Diffuser colour         | Red                                   |

### Reference Standards and Directives

|                                     |                                      |
|-------------------------------------|--------------------------------------|
| Certification and approval marks CE |                                      |
| Directives                          | 2011/65/EU (RoHS), 2012/19/EU (WEEE) |
| Reference Standards                 | CEI 23-50:2007, EN IEC 63000:2018    |
