#### Specifications

|                              |                          |
|------------------------------|--------------------------|
| Net Weight                   | 1.71 KG                  |
| Front panel                  | 472543s.png              |
| Electric system              | PRIF16A_3P.png           |
| Rated current                | 16A                      |
| Frequency                    | 50/60Hz                  |
| IP Protection degree         | IP67                     |
| Poles                        | 3P+ $\perp$              |
| Clock Position               | 7h                       |
| Rated operating voltage      | 500V ●                   |
| Rated insulation voltage     | 500 V V                  |
| Manufacturing material       | Aluminum alloy           |
| Width                        | 92 mm                    |
| Execution                    | Wall mounting            |
| Type of protection           | Fuses                    |
| Insulation Class             | I                        |
| Operating category           | AC-23A / AC-3 16A - 500V |
| Dimensions                   | 92X230X124 mm            |
| Hole type                    | Window type F0           |
| Min. Amb. Temp.              | -25°C                    |
| Max. Amb. Temp.              | +50°C                    |
| Storage room temperature MIN | -30°C                    |
| Storage room temperature MAX | +70°C                    |
