

## Filtration Group EcoParts Ersatzfilterelement/Replacement Cartridge H 0160 SP \_ \_ \_ \_

austauschbar zu HYDAC Filterelement /compatible to HYDAC filter element

### EcoParts Ausführung / EcoParts version

#### Kurzdarstellung/Features:

|                                             |         |
|---------------------------------------------|---------|
| ■ $\Delta p$ max./ $\Delta p$ max.:         | 5 bar   |
| ■ Dichtung/Seal:                            | NBR     |
| ■ Bypass Ventil/Bypass valve:               | Nein/No |
| ■ Max. Betriebsdruck/max. working pressure: | 14 bar  |

#### Abmessungen/Dimensions:

|                                                    |               |
|----------------------------------------------------|---------------|
| ■ Außendurchmesser/<br>External diameter:          | 128,00 mm     |
| ■ Gewindebezeichnung/<br>Screw thread designation: | 1 ½" – 16 UNF |
| ■ Länge/Length:                                    | 170,00 mm     |

## Filtermaterial Papier / filter material paper

Einweg-Filterelement aus organischem Filtermaterial (nicht reinigbar)/filter element with organic filter material (not cleanable)

■ Filterfläche/Filter surface: 4.320 cm²

| Bestell-Nr./<br>Order no. | EcoParts<br>Beschreibung/ description | Herstellerbezeichnung/<br>Manufacturer description | Feinheit/<br>Degree of filtration |
|---------------------------|---------------------------------------|----------------------------------------------------|-----------------------------------|
| 70526928                  | H 0160 SP 1 003                       | 0160MA003P                                         | 3 µm                              |
| 70526929                  | H 0160 SP 1 006                       | 0160MA005P                                         | 6 µm                              |
| 70525568                  | H 0160 SP 1 010                       | 0160MA010P                                         | 10 µm                             |
| Auf Anfrage/on request    | H 0160 SP 1 025                       | 0160MA025P                                         | 25 µm                             |

## Filtermaterial Glasfaser / filter material fiber glass

Einweg-Filterelement aus anorganischem Filtermaterial (nicht reinigbar)/filter element with anorganic filter material (not cleanable)

■ Filterfläche/Filter surface: 4.080 cm²

| Bestell-Nr./<br>Order no. | EcoParts<br>Beschreibung/ description | Herstellerbezeichnung/<br>Manufacturer description | Feinheit/<br>Degree of filtration                  |
